SUMMER PASSPORT ACTIVITIES IN-PERSON OR ON ZOOM

June 15th to
August 6th, 2022

Hill Aerospace Museum's **STEAM Summer Passport Program** will take place from June 15th through August 6th this year! *Join us in-person Thursday through Saturday* for free lessons and fun science experiments! *Those wishing to join us for more in-depth lessons* with a special focus on history or art can join us virtually on Wednesdays at 11:00 AM via Zoom. After students have participated in five classes, they may report to museum staff to receive a special pin and graduation certificate. Event registration will be required. Registration opens May 4th, 2022.

Register for classes with the museum calendar at: aerospaceutah.org/events-calendar/
